Reccomendation

We hereby certify that KEC International Ltd., has successfully and timely commissioned the 500 KV, 250 Km section i.e. YuKGRES-Shu of second transmission line of Kazakhstan North South Transit on 22 Oct 2008, which was awarded by KEGOC .

MVV decon acted as Consultant in charge with works supervision for the construction of the above mentioned transmission line and we appreciate the high professional standards, dedicated efforts and a very focused approach of KEC International Ltd. which have resulted in successful completion of this project.

We heartily wishes the entire team of KEC International Ltd. lots of new achievements in professional area.
