
Quality Policy

We are committed to building a world class Engineering, Procurement, Construction & Manufacturing organization that strives to deliver superior quality and create benchmark of excellence for all its stakeholders.

KEC employees and our stakeholders are committed to deliver the following quality objectives:

- Enhance excellence in manufacturing and project management
- Attain cost competitiveness through continuous improvement in operational effectiveness and innovation
- Inculcate a “Right First Time” culture
- Digital Initiatives which define new paradigms
- Comply with all applicable regulatory requirements

Our aim is to be a partner in Global Sustainable Growth through responsible business practices.
