Date:15<sup>th</sup> June 2011

Dear Shri *Chandak Sahib,*

This is to put on record my appreciation and thanks for the help provided by M/s. KEC International Limited in restoration of following transmission lines which had broken down during the months of January and March 2011 and May 2010.

- 400 KV Moga-Bhiwadi transmission line
- 220 KV Kishenpur-Salal transmission line

Similarly we had to undertake maintenance work of 400 KV Wagoora-Kishenpur transmission line over Peer Panjal area which had become necessary because of heavy snowfall of the winter of 2010-2011. The team from M/s. KEC International Limited under the leadership of Mr. Sanjay Gupta stood by us and completed the job in the shortest possible time. This action of M/s. KEC International Limited was a great help as the maintenance activity was a shut down activity and the work had to be executed in a time bound manner & that too at a height of 10000 ft. above mean sea level.

It is once again to thank you for the assistance provided during times of exigency by M/s. KEC International Limited.

  
(Jagmohan Sharma)  
General Manager (O&M)
